## Profile

Hi! I'm Syed Taisur Rahman. Founding CEO & President of Initiatives Foundation which is one of the most amazing learn and grow content sharing and education platform in Bangladesh. My dream is to create a different Bangladesh and help people to think out of the box. I always try to inspire others. I think a boy in the street can only move toward conquering the world through inspiration.

## Experience

- **The Initiatives Foundation**

**Founder and Director | 2019 - Present**

The Initiatives Foundation mainly works for Educational and Cultural sector. Our Motto is "Inspire || Ignite || Initiate" We, here, try to learn and teach the educational content and ECA with fun and joy

- **Tesla Lab**

Selected For Divisional round of Dan Cake Presents Spelling Bee 2020

## Something about me

I'm a social worker. I love to help people. I think, helping others is generally considered an altruistic activity where an individual or group provides services for no financial or social gain & to benefit another person, group or organization
